# TREASURER'S REPORT.

---

A statement of the receipts and disbursements of the Treasury during the fiscal year 1864, commencing on the 10th October, 1863 and ending the 15th October, 1864, showing at the end of the year, a

Cash balance in the Treasury of..... . . . . . \$2,146,087.62

## *Great Assets belonging to the State.*

Assets belonging to the State, as shown by the books of the Treasury and Comptroller General's offices, viz:

1,533 shares of stock in Bank of State of Georgia.....	\$183,800
190 shares of stock in Bank of Augusta. ....	89,000
186 shares of stock in the Georgia Railroad and Banking Company .....	18,600
7,000 shares of stock in the Atlantic and Gulf Railroad Company.....	700,000
Central Bank Assets, estimates by General Bethune, Agent, at..... . . . . .	1,500
	<hr/>
	992,400

Also the Western & Atlantic Railroad (value not to be put upon the same by the Comptroller or Treasurer.) This Road however, paid into the State Treasury as net earnings in 1859, \$420,000; 1862, \$450,000; in 1861, \$438,000; 1862, \$440,000; and in 1863, \$1,650,000.

The State is now indebted in Bonds to the amount of \$6,036,250—\$316,000 of which being past due, are not paying any interest. The remaining Bonds now out are paying an annual interest of \$227,890, viz: \$3,529,500 7 per cent Bonds, \$247,065.00, \$2,278,750 6 percent. Bonds \$136,725.00; and \$72,000 5 per cent Bonds, \$8,000.00; which amount of interest will be reduced each year as the Bonds become due or are redeemed. The amount now due and coming due, during the year 1864, is \$294,000, but whether all will be presented within that time is questionable, as some of them are no doubt in the Northern States and in Canada, and may not be presented until after the close of the war.

In addition to this debt of the State in Bonds, he also owes \$6,992,-000 in Treasury Notes and \$1,395,000 in Treasury Certificates of Deposit, lately issued for 8 and 6 per cent. Treasury Notes, that bear no interest. Neither are they fundable or redeemable until six months after a treaty of peace. Portion of them are redeemable "six months after a treaty of peace, or when the Banks of Savannah and Augusta resume specie payments."
